

Apostolic Association Worldwide Corporation

A Personal Invitation to Pastors and Church Leaders

Pastor, I want to personally invite you and your church to consider joining the Apostolic Association Worldwide Corporation. We are bringing pastors and church leaders together around a shared vision: strengthening one another, equipping leaders, and reaching more people with the Gospel of Jesus Christ. We understand the responsibility of shepherding God's people, and we believe there is strength in having fellow servants who will pray with you, encourage you, and labor alongside you. Every church has something valuable to contribute, and we would welcome the opportunity to grow together with you.

Our heart is to build meaningful relationships that support strong churches, faithful leadership, and effective service to our communities. Through fellowship, biblical education, and ministry cooperation, we seek to help one another fulfill the work God has placed in our hands. I would appreciate the opportunity to share our membership information, hear about your ministry, and answer your questions. Would you be open to a brief conversation about how you and your church could become part of the Apostolic Association Worldwide Corporation?
